

## To help with your travel to George Mason University Arlington

You can fly into any of these airports, but **Reagan National Airport (DCA)** is the best travel-wise (though Baltimore may be cheaper, it is a longer travel time)

§ [Baltimore/Washington International Airport](#) - **BWI** (38 miles to Arlington Campus)

§ [Dulles International Airport](#) - **IAD** (22 miles to Arlington Campus)

§ [Reagan National Airport](#) - **DCA** (6 miles to Arlington Campus)

Once you get on to the DC Metro Rail system (which does stop at Reagan National Airport) (See this link for a metro map of DC)

<http://www.wmata.com/rail/maps/map.cfm>

Find a transfer point to either the **Orange** line in the direction of **Vienna** or Vienna/Fairfax or the **Silver** line in the direction of **Wiehle** or Wiehle/Reston. The GMU Arlington Campus is the **Virginia Square - GMU** stop on the **Orange** or **Silver** lines.

See this map of the campus here:

From the **Virginia Square/GMU Metro Station** (bottom left corner of map), walk up to **Founders Hall**, you can enter where you see the word **Plaza** or you can park out back and enter the building there.
